Autumn Blaze Maple

Acer x freemanii 'Jeffers Red'

- 🍂 **Form:** Oval, upright
- 🍂 **Size:** 50' tall by 40' wide
- 🍂 **Growth Rate:** Fast
- 🍂 **Zone:** 3-8
- 🍂 **Drought Tolerance:** Moderate
- 🍂 **Salt Tolerance:** Low

Light Requirements: Full sun

Soil Requirements: Well-drained, moist, fertile, humus rich, slightly acidic

Bark: Smooth, silvery grey

Flower: Red, inconspicuous; blooms in the spring

Fruit: Green winged samara

Foliage: Opposite, simple; medium green leaves turn red, orange or reddish orange in the fall

Uses: Parking lot buffers, Fall color accents, large shade tree, street tree, and parks.

Cross between a Red Maple and a Silver Maple but has better branching habits than a Silver Maple. Great fall color with aggressive fast growing root system.
